

Reasons to Use Houseproud

- Personal help and support throughout the process.
- Practical advice on repairs, improvements and adaptations.
- Clear information about the funding options available and access to loans
- Helpful financial guidance from an independent qualified person
- Proper inspection of the building work. Builders are only paid when the work is done to a satisfactory standard.
- Provision of Key Facts illustrations of equity release options in line with FSA requirements.
- The services of technical staff, including visits to your property and a costed Schedule of Works
- Council listed trades people used to carry out the work
- A guarantee of no repossession and a no negative equity guarantee, whilst the original eligible borrower(s) remain in occupation.
- Comfort, security and independence of remaining in one's own home rather than having to move into residential care.
