

What Type of Work

Major home repairs, improvements or adaptations, for homeowners aged 60 or over, or homeowners of any age who have a disabled person living with them. Here are some examples:

- New bathroom
- Electrical rewiring
- Central heating
 - New roof
- Replacement windows and doors
 - New guttering
 - Plumbing
 - Refitted kitchen
- Improved home security
- Disabled adaptations such as a level access shower
 - Improving your home's energy efficiency
